Dear Sharon,

In recognition of National Home Health and Hospice Month this November, we are honored to share with you that Ashley Court of Brighton was selected by Great Lakes Caring Hospice & Home Health to receive a 2013 Award for Excellence.

Your facility and its dedicated team were chosen from over 1,200 facilities, physicians and hospitals across Michigan, Indiana and Ohio for three very important reasons: 1) your organization's belief in the importance of good communication between Great Lakes Caring and the Ashley Court of Brighton staff; 2) for keeping in mind the needs of your patients and the importance of making timely referrals; and 3) for your support and understanding of the importance of collaborative care when a patient is in need of hospice or home health care.

We trust that you are pleased to receive this recognition. It is our sixth year presenting this award and Ashley Court of Brighton is among a most elite group of honorees.

Great Lakes Caring applauds you and your team. We are pleased to be affiliated with Ashley Court of Brighton and look forward to continuing our work together that makes such a difference in the quality of care and exceptional experience for your staff, residents, patients and their families.

Your Great Lakes Caring Patient Care Coordinator will be contacting you in the near future to schedule a time to present this award.

Sincerely,

William Deary
